AUTOMATED

REPORT BUILDER

BUILD REPORTS HOW YOU WANT THEM, WHEN YOU WANT THEM.

Report Builder, available through the LoanLogics LoanHD® Loan Quality Management platform simplifies the process of creating monthly, quarterly and yearly agency, management and executive quality control reports. Automatically and easily build customized summary and granular loan level reports instantly to monitor loan quality production!

RUN REPORTS HOW YOU WANT THEM, WHEN YOU WANT THEM.

- Quickly create reports on demand.
- Eliminate the need to create Excel spreadsheets.
- Identify top credit, compliance & appraisal defects.
- Trend & correct defect patterns to reduce risk of loan repurchases.
- Compare benchmark defect trends against your peers.
- Create effective action plans to remediate defects.
